

# Roger Ellis Studios

The Crowns, Ullingswick, Herefordshire HR1 3JQ

Sketch Map - local area

PLEASE NOTE

This is just a basic map until I get time to draw a better one.  
.....Shoe maker's children ..... if you know what I mean...

**FROM HEREFORD DIRECTION** get onto the A465 (Bromyard) and make your way to Burley Gate roundabout - see below.

**FROM LEDBURY, ROSS, GLOUCESTER DIRECTION** get onto the A417 (Leominster). From Trumpet crossroads head north on the A417, straight across the Newtown crossroads (past the garage) and carry on until you reach Burley Gate roundabout - see below.

**FROM BURLEY GATE ROUNDABOUT** (you will recognise it from the odd metal structure in the middle) take the A465 east towards Bromyard for almost a mile and a half. After the 40mph and Stoke Lacy signs turn left up a small lane signposted Little Cowarne/Ullingswick. After about half a mile turn left to Ullingswick and after nearly another half mile look out for our entrance on the right.

**FROM LEOMINSTER DIRECTION** on the A417 going south, go past two turnings on the left to Pencombe then take the first turning left to Ullingswick. This is at a crossroads on a long straight stretch of road. Then follow the road through the village (do not turn off to the church) and past Tack Farm equestrian centre you will find our entrance on the left after about a quarter of a mile.

**FROM WORCESTER** first take the A44 to Bromyard.

**FROM BROMYARD** take the A465 (Hereford). After you go through Stoke Lacy pass a 40mph sign and then the road starts going uphill. Get into the righthand lane and turn right near the top of the hill (to Little Cowarne/Ullingswick). After about half a mile turn left to Ullingswick and after nearly another half mile look out for our entrance on the right.
